Join us at St. Stephen Preschool

Are you:

- looking for something fun and different to do with your active toddler (one or more mornings a week)?
- looking for some “age mates” for your toddler to play with?
- Want to meet other families and exchange “parent survival tactics” and gain new insights and ideas?

Then it is time for you to come join us for our

MOMMY AND ME CLASSES . . .

where we provide structured, yet fun and exciting, hands on activities and open-ended opportunities for physical, social, emotional, and educational development.

Mommy and Me is a parent participation program designed for Parents, Grandparents, or other caregivers and their toddlers.

It is a great steppingstone program before starting preschool.

Activities are planned for the children’s (and adult’s) enjoyment. The school provides learning opportunities and socialization for your toddler, both indoor and outdoor activities, and informal parent discussions. Parent discussion topics, can include toilet learning, setting limits, nutrition, speech development, positive self-esteem, sharing, temper tantrums, and much more.

Staff

Our staff is selected for their experience and training in the field of Early childhood Education and Childhood Development, as well as their warmth and sensitivity to the needs of young children and their caregivers.

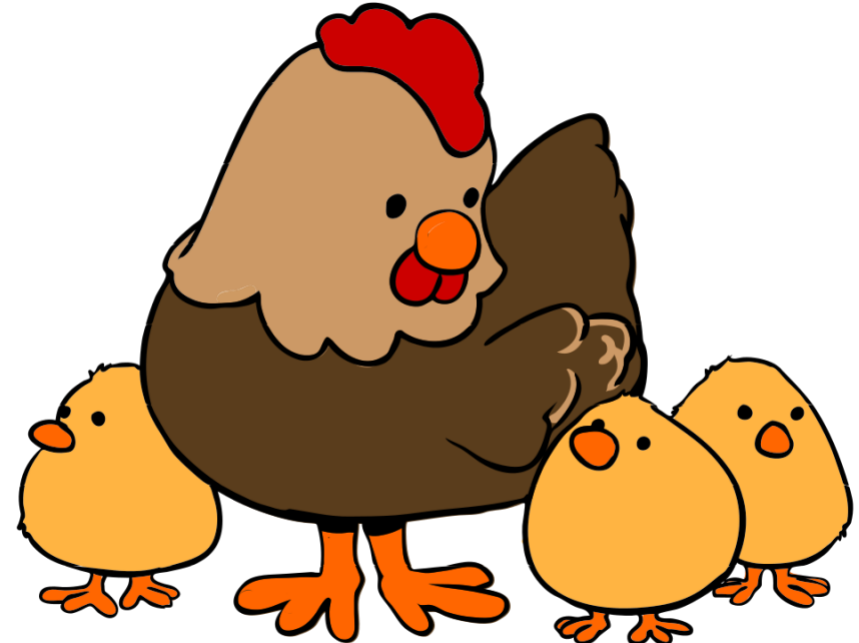

Accreditation

St. Stephen Preschool is one of the few San Fernando Valley preschools accredited by the [National Association for the Education of Young Children](#). We have voluntarily undergone a comprehensive process of internal self-study and invited external professional review to verify compliance the Association’s Criteria for High Quality Early Childhood Programs.
